

Bishops Cannings School

It was lovely to see so many parents at Assembly this morning. Supporting the children with their learning is very important and it gives them a boost when they can share their excellent work with everyone.

Year 1 have been making clay pots.

For the past six weeks Y6 have been having a SPAG quiz based on the TV programme Pointless. The children do SPAG every day and this was a fun way for them to learn. The winners were announced today and received a trophy. Second and third place children all received a medal. Well done to all the children particularly 'The Don't Knows', 'Point out the Pointless' and 'Freckles'.

Teaching Staff on Courses

20 Mar—Mrs Breydin

Our new seven day reading challenge has got off to a great start with every pupil taking home a Ten Million Minutes bookmark on which to record their minutes of reading.

Please support your child as they try to read for at least ten minutes every day during this seven day challenge. You can read books, magazines, comics, and then record your minutes on the book mark every day so that we can add them to the national totaliser.

We also introduced Monty the Ten Million Minutes Millipede in the school hall – every pupil who reads for ten minutes will be helping to make Monty the longest and most colourful millipede in Bishops Cannings with the help of hundreds of pom-poms!

In assembly this morning we also challenged pupils to take a "Shelfie" this weekend! Take a picture of a book shelf – in your home, at the Library, in a bookshop ... and there will be a prize for the most interesting entry.

Happy Reading!

Keen readers before school this morning.

Absence—If your child has to be absent from school due to illness please contact the office by phone (01380 860633) or via email :office@bishopsconnings.wilts.sch.uk before 9:30am on the first day of absence. The advantage of email for you and us is that there is a written record of absence so this would be our preferred method. Please state on any email the reason for your child's absence and the expected return date to school. Where we have no written record, we will send home a form with your child on their return to school requesting information about the absence.

Thought of the Week

“All students can learn and succeed, but not on the same day in the same way.”

William G. Spady

Hectors Reading Group this week was some Year 1 children.

We have now appointed a new PSA (Parent Support Advisor) Sam Dunbar. She will be in school on Tuesday mornings. If you feel you would like to meet her, please contact the office and we can put you in touch. She can help with any issues you may have relating to school.

Year 4—have had great fun in PE this week when they had the apparatus out in the hall.

They have also been writing Non-Chronological reports in Literacy

The maths course with Jonathan Hope is going well. If you would like to take part it is not too late. Please contact the office for more details.
