

Bishops Cannings School

It finally feels like summer has arrived. Its lovely to see the children make full use of the school grounds and enjoy the freedom of the field. We live in such a beautiful corner of the world and I know as a community we are all rally grateful for that. It seem right therefore, just to take a moment to spare a thought for all those affected recently by the tragedies in Manchester and London, including the horrific fire in North Kensington. We keep all those families who are suffering such anguish at the moment, in our prayers.

Y4 went on a trip to Salisbury Cathedral this week. They have been doing some wonderful art work based on the stained glass windows.

Unicorn Class have been making parrots to live in the role play area which is currently a rainforest.

We are looking forward to welcoming our new Reception children into school next week for their first visits prior to them starting in September.

Y6 will be visiting the Mosque in Trowbridge on Wednesday next week. Parentpay has been set up for you to kindly make the £5 contribution before Wednesday. Thank you for your co-operation.

Rehearsals are now well under way for the Year 6 production. The singing we can hear in the office is amazing. All the children are working incredibly hard for this team effort in Year6. They will all be involved in all aspects of the production, from scene painting, to costumes—this is in addition to line learning, songs and choreography.

Teaching Staff on Courses

Absence—If your child has to be absent from school due to illness please contact the office by phone (01380 860633) or via email :office@bishopsconnings.wilts.sch.uk before 9:30am on the first day of absence. The advantage of email for you and us is that there is a written record of absence so this would be our preferred method. Please state on any email the reason for your child's absence and the expected return date to school. Where we have no written record, we will send home a form with your child on their return to school requesting information about the absence.

Thought of the Week

Life is beautiful one day,
one hour and one minute,
will not come again in your
entire life.
Avoid fights, angriness and
speak lovely to every
person.

There will be a Community Get-together this afternoon at 5.30pm at St Marys Church, Bishops Cannings. Everyone is invited to bring a picnic and share and celebrate all that we have in common. After this, to end the afternoon, there is a Concert in the Church involving the young people in the parish.

Please try and come along to support the local community.

The school playground will be available for parking from 5pm.

Our Prayer Space week will be held from 26th - 29th June in the Conservation Area (weather permitting). During the week, all of the children will be given the opportunity to spend half-an-hour of quiet and reflection at various 'stations' around the garden thinking about their hopes and dreams, the world around them, as well as time in quiet prayer if they would like to.

In previous years this has proved to be a beautiful week where children are given time to explore their naturally spiritual nature in a very calm and safe environment.

If any parents are able to come and help in the Prayer Garden for an hour or two on any of the days (26th-29th June) please let the office know as the children greatly benefit from having the stations 'manned' by an adult and we do need volunteers to make the week the best it can be. Many parents who have helped before have been truly blessed by the experience.

Summer Fete / Football & Netball Tournament

Your child will be coming home next week with a paper plate. We are asking all parents if they could kindly provide a cake for our cake stall. We will also be holding a bottle tom-bola, so any donations of bottles will be gratefully received.

These bottles can be anything—squash, shampoo, wine etc.

We hope that all the children who wish to play football will be entered into a team. A parentmail form has been sent out requesting your interest. In order for us to sort this out they will need to be completed by Tuesday 20th June. As you can appreciate, this will take a

little time and we do not want the children to miss out.
